

### Program Overview

The student is expected to complete the Arabic Program for Speakers of Other Languages at the Language Center after studying 45 credit hours.

### Program Vision and Mission

Vision	Achieving academic excellence at the local, regional, and global levels.
Mission	Achieving distinction in Arabic language teaching programs for speakers of other languages and contributing to the development of education and training quality according to the highest standards.

### Program Learning Objectives (CLOs)

1.	Equip students with the essential knowledge and linguistic and communicative skills that speakers of other languages need for learning Arabic.
2.	Introduce the student to Arab-Islamic culture in general, and to Jordanian culture in particular.
3.	Develop the student's personality in a way that enables them to innovate, face challenges, engage in self-learning, and work collaboratively with others.
4.	Strengthen cooperation between the university and other universities at the local, regional, and global levels.
